For the Heart of Your Home

The kitchen is where family gathers, meals are shared, and memories are made.

Built to Last

Each **Wasserwerk** faucet is made in Germany with cutting-edge technology. Our premium faucets are crafted with generations of expertise to ensure lasting beauty and performance.

10-Year Warranty

Your **Wasserwerk** faucet will accompany you faithfully for many years. We highlight this with a 10-year warranty and a 15-year repurchase warranty on many spare parts such as cartridges, aerators, seals, hoses and much more.

Specifications

- Practical cold-start function for energy saving
- Pull-down spout with 2 sprays
- Easy assembly due to central fixing nut
- Flexible metal connection hoses approx. 800 mm
- Low-noise, replaceable 25 mm ceramic cartridge
- Brand name aerator for a perfect spray pattern
- Connection type: High pressure
- Swivel range: 360°

Innovative Easy-Clean Aerator

The anti-limescale aerator has a special silicone coating so you can simply rub limescale and other residue away.

Smooth Water Flow

The durable, high-quality ceramic cartridge and anti-splash laminar spray mechanism ensure even, smooth water flows 2 to 3 times longer over time than competing faucets.

- Easy assembly due to central fixing nut
- Flexible metal connection hoses approx. 800 mm
- Low-noise, replaceable 25 mm ceramic cartridge
- Brand name aerator for a perfect spray pattern
- Connection type: High pressure
- Swivel range: 360°

Cold-start function

Space-Saving Design

Perfect for space-confined sinks, the lever starts in the vertical position and only moves forward when adjusting the temperature.

Scalding protection

Adjustable Scalding Protection

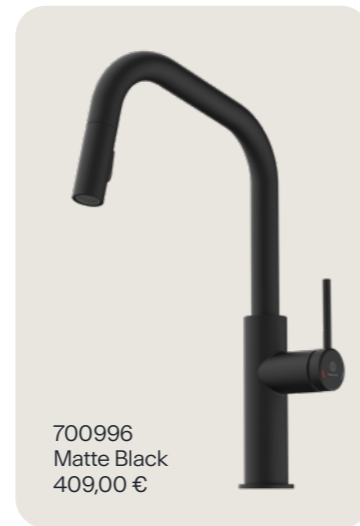

Several faucets have a high-quality cartridge with an adjustable temperature limiter. This reduces the risk of scalding and provides safety for the whole family.
